To Whom It May Concern:

Neal Lillard has proven himself to be a realtor with the expertise and experience that any client would want on their team. I had three properties to sell. Two out of three well were sold well above market value.

We have one challenging property left to sell and Neal is more than equal to the challenge. He is the rare realtor champion who is willing to do what it takes to get in the fray, do the work, and do what it takes to get the job done.

Neal is a working realtor. He notices the details and will step up to the plate to ensure the T's are crossed and I's are dotted, and the job is done.

Neal is fearless for the project and he listens to his client. Neal is a realtor Ninja. He has used his expertise, with me, to acquire the perfect property two years ago, BEFORE IT WAS EVEN LISTED!

He is a realtor that is savvy and listens to the needs of his clients. Anyone would be fortunate to work with Neal Lillard.

Sincerely,

Kay Jentoft
