

Dear Carroll:

I am so glad you were the agent that contacted me (thanks to a T.V. ad!). You have really exhibited professionalism and an "I care" attitude. I appreciate you, and your "follow through" ways.

We put deposit & application on the ranch house; it is perfect for us and the dogs. Thank you for thinking of us. I wish it were practical for us to buy that house - (and a few of the acres). Believe it or not, it has something ideal for me as a dog-bather; in the masterbath, there is a door leading outside (Rare!) And a 2-2, great for us and hard to find. You know if it weren't for you, I would've had to kennel my dogs and I would've been a mess about that. It is so nice to find such a trustworthy and thoughtful person, ~~and~~ Thank you!

Jeanne Zamora
